

Chapter 421 Website & Contact Information Database

wa421.org

- The Contact Information Database Form will be available to members at the regular Chapter meetings and on the Chapter's website.
- Name, Email address, and signature are required. If you don't have an email address and are joining our text messaging group then enter "NO EMAIL ADDRESS." All other information is optional.
- Members can opt to have information such as their email address, cell or home phone numbers, service information such as units and location published on the Chapter's website. THIS IS OPTIONAL AND NOT REQUIRED.
- Members can opt to be part of the text messaging notification group where they will not only notified by email but also by text message of any important announcements such as meeting cancellations, special meetings, etc.
- Completed and signed forms can be submitted to the webmaster at the meetings, or they can be scanned and emailed to frank@farusso.com, or they can be faxed to 1-888-391-3963. The form can also be mailed to :

VVA Chapter 421
P.O. Box 100097
Staten Island, NY 10310
Attn: Webmaster

SECURITY OF INFORMATION

- Paper Forms are scanned and maintained electronically and the paper forms destroyed.
- Database IS NOT connected in any way to the website except for information that has been authorized by member signature to have published on the website.
- Database is encrypted and password protected.
