Presents their 7th Annual

Staten Island Welcomes Our Heroes

Saturday
May 16, 2015

Come and watch more than 200 bikers from various biker organizations escort a group of wounded troops from Walter Reed National Medical Center to Staten Island for a VIP weekend. Bring your friends, flags, signs, and come out to cheer.

Escorted by the NYPD, the motorcade will exit the Korean War Veteran Memorial highway at approximately 1:30pm and ride north on Richmond Ave. passing the Staten Island Mall. The best viewing area will be between Platinum Ave. and Richmond Hill Road. Look for the AMVETS Post 917 Information tables.
