

Why struggle to use the phone? With ClearCaptions, you'll SEE what your callers say:

- Callers' words are displayed in near real-time
- Available for home and mobile device calling
- Free installation and lifetime support

Thanks to a federally managed program, this service is available to you at no cost when you meet these requirements:

- Hearing loss that necessitates use of captioned phone calls
- **For home:** An active phone number and internet access
- **For mobile:** A mobile data plan and an iPhone® and/or iPad® device*
- U.S. residency

*A dedicated mobile captioning phone number is provided at no additional charge.

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund.
