We will once again honor the brave Veterans who served our country during the Vietnam Era at a Welcome Home Breakfast on March 27 at the Excelsior Grand. At the breakfast, Veterans will be given a symbol of recognition. In addition, there will be a POW/MIA recognition ceremony.

Staten Island residents who were active members of the military during the period from 1955-1975 are eligible to attend. Veterans may be asked to provide their DD-214 as proof of service.
