

A TOAST TO EACH OTHER ... ON OUR ANNIVERSARY ♥

*We vowed we would last **Forever**
Love and cherish each other till death do us part.
♥ **Such a long, long time this Forever***

*There is plenty of time to make all our dreams come true,
plenty of time for love, laughter, romance and caring for each other,
plenty of time to experience all the ups and downs life has to offer.
♥ **Such a long, long time this Forever***

*There is plenty of time to create a family of our own and watch it grow, plenty of time to
travel and see this beautiful world we live in, plenty of time to thank God for all the
blessings of good health and happiness he bestows upon us.
♥ **Such a long, long time this Forever***

*There is plenty of time to awake together each morning with the sunrise, plenty of time
to caress each evening in the glow of the sunset, plenty of time to whisper, "I Love You",
over and over and over again.
♥ **Such a long, long time this Forever***

*As we celebrate our ** years of marriage and reflect upon all we have accomplished
throughout our lifetime together thusfar, I want you to know my darling that my love
for you is stronger today than the day we vowed we would last **Forever** ♥*

*Although the years may have changed the way we look and how fast we can move, I still
can feel that special flutter in my heart every time we kiss.*

*Let's raise our glasses high and make a special toast to this
.... **Forever** ♥♥*
